ON THE WATER

St. Petersburg is a peninsula city surrounded by water and an Intracoastal waterway. There is the Gulf of Mexico to the west and a 35-mile shoreline of beautiful beaches and spectacular sunsets. There is Tampa Bay to the east and south, embracing our downtown area and adding natural beauty to our friendly personality.

Deep sea fishing party boats and private charters go out daily. There are sightseeing boating excursions, leisurely lunch and dinner cruises, Scuba diving adventures, and not to be missed, the excitement of casino gambling aboard one of the pleasure boats that venture into international waters on the Gulf.
